PROFESSIONAL SUMMARY

B.Tech Computer Science and Engineering Data Science pursuing graduate skilled in building machine learning models for classification and regression problems. Experienced in data preprocessing, exploratory data analysis, and model evaluation using Python. Passionate about solving real-world business problems using data-driven approaches and improving model performance through feature engineering.

WORK EXPERIENCE

Salesforce AI Agent Developer Trainee July 2025 – October 2025
Smart Bridge (Skill Wallet – Last Mile Program)

- Completed hands-on training in Salesforce ecosystem focusing on AI agent development, workflow automation, and business optimization.
- Designed CRM solutions using real-world use cases, improving data management and user interaction efficiency.

EDUCATION

B.Tech Computer Science and Engineering -Data Science 2023–2027
Anurag University,Hyderabad — CGPA: 8.62

Intermediate in MPC 2021–2023
Sri Chaitanya Junior College — 84.7%

Board of Secondary Education 2020–2021
NTR Model School — 83%

PROJECTS

Healthcare Queue Management System

- Developed REST APIs using Spring Boot improving response speed.
- Built React dashboard for real-time queue tracking.
- Integrated H2 database and tested APIs using Postman.

Customer Churn Prediction System

- Built ML models (Random Forest, XGBoost) for churn prediction.
- Performed data cleaning, feature engineering, and SMOTE balancing.
- Achieved 84% CV accuracy and 78% test accuracy.

TECHNICAL SKILLS

Languages: Python, R, Java

Core: DSA, OOP, DBMS, OS

ML: Classification, Regression, Feature Engineering, Model Evaluation

Web: MERN Stack, REST APIs, HTML, CSS

Tools: Git, Jupyter, VS Code, Tableau

CERTIFICATIONS

- Agentforce Specialist Certification -Salesforce
- Machine Learning Certification -NPTEL
- Data Analytics Essentials-Cisco
- Java Fundamentals -Oracle
- Data Analytics-Google Cloud
- Python Essentials -Cisco

INTERNSHIPS

- Data Analytics Process Automation Internship — EduSkills
- Android Developer Virtual Internship — EduSkills
- Employability Skills Internship — EduSkills
- ServiceNow Administration Fundamentals(Xanadu)-SmartBridge
